

**FOR IMMEDIATE RELEASE**

## **Lemak Sports Medicine & Orthopedics Relocated in Gardendale**

*Sports medicine and orthopedic practice relocates to new facility*

*Gardendale, AL* (April 17, 2012) – Lemak Sports Medicine & Orthopedics recently relocated its practice from Thompson Circle to the 5,022 square foot state-of-the-art facility on Decatur Highway (Highway 31), conveniently located near the Ambulatory Surgical Center and Interstate 65.

Lemak Sports Medicine focuses on providing patients with unrivaled quality orthopedic care. The new Lemak facility will allow the practice to accommodate a greater number of patients in the Gardendale and North Jefferson area. “The Gardendale community has been extremely supportive of our recent move to Gardendale,” said Dr. Echenique. “I am thankful to be involved with the Gardendale Chamber of Commerce, the Gardendale Rotary Club and an active member of the Gardendale First Baptist Church.”

Dr. Echenique specializes in sports medicine and is the lead physician at the Lemak Gardendale location. He served his residency at George Washington University, and is fellowship trained in orthopedic sports medicine by the American Sports Medicine Institute under the supervision of Dr. Larry Lemak.

Gardendale is one of ten Lemak practices in Central Alabama with plans of additional facilities in the near future.
